

HORSE EVENTS

Online Rallies with Horse-Events

Safe, Secure and FREE to the organiser

Giving organisers complete flexibility

Pony Club Rallies

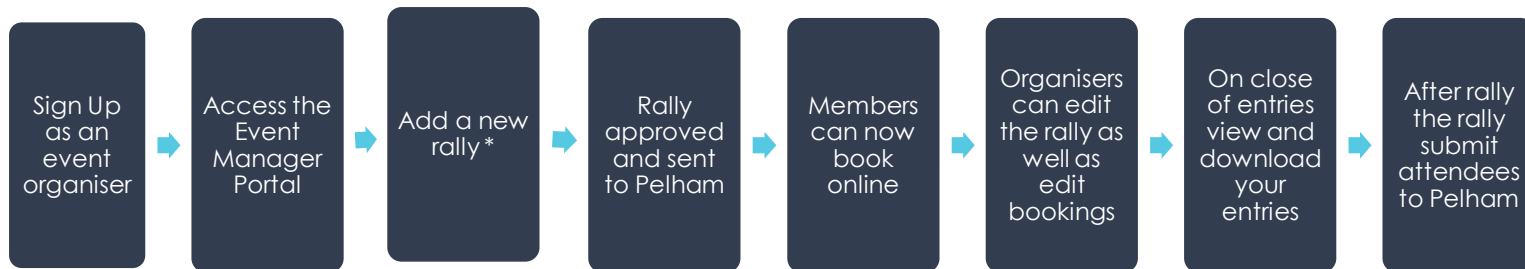

- ✓ The new Horse-Events website has a **specific area for pony club rallies**.
- ✓ Each branch and Area can be searched to ensure each rally is easily accessed by the entrant.
- ✓ The System **verifies PC membership numbers**, stores horse and rider details and transfer data straight into the Pony Club Pelham database. This make it **very easy for members to enter and organisers to manage**.
- ✓ Choose to **add your own rallies** or for the Horse Events team to add them.
- ✓ Organisers can **edit & access the rally**, view and download bookings as well as edit and cancel individual bookings.
- ✓ **Dedicated support** for sign up and continued support thereafter
- ✓ **Easy accounting** for treasurers and quick **automated refunds** for members.
- ✓ Its **FREE** for pony clubs to use, we charge a nominal booking fee to the member when booking online

The Horse-Events website is designed to **ensure life is made easy for the organiser offering a complete booking service**. This means that voluntary organisers & treasurers can spend more time running their events, taking the pressure off chasing payments and organising entries.

How to add your rallies

*Organisers can choose to add their own rallies or ask Horse-Events to add rallies for them
Existing rallies can be cloned to speed up the creation of duplicate rallies

How Much Does it Cost? – It's FREE for the Pony Club

A small booking fees is added to the entry fee.

We are different to other providers Horses-Events pays for **ALL** the card and Merchant fees related to a transaction, so **NO** Stripe/Paypal or transfer fees are deducted or paid for by the Pony club.

This means the full entry fee is transferred, which helps the organiser to keep their entry fees as low as possible.

Rally Booking fee options:

Booking fees can either be charged (1) per individual ticket booked or (2) Per rally booked, the booking fee option is decided by the organiser when creating a rally. (Only one option can be used per rally)

Examples are shown below

Charged per individual ticket,

Single level rallies with individual booking onto each rally.

- Keeps booking fees cheaper for all entrants.

Charged per rally fee

All day rally with lots of levels for different children enter.

This works well when multiple siblings are booking onto the same rally.

- 1 Booking fee for all bookings on the same rally reducing the cost for multiple entries.

FAQ's

How do we get our funds

Funds are transferred straight into you pony club account each month free via BACS. A report of who attended, funds collected, and refunds process is sent to the branch. In the event of a large rally or camp deposits these can be arranged to be transferred earlier if a branch requires funds

How secure are our funds

Entry fees are collected into a client account, which is completely separate to our business operating funds.

What support is available

We are available on telephone & email Monday to Friday 9- 6pm. We are available at weekends for urgent matters. If an evening call or support session is required, this can be arranged at a suitable time for both.

Are there any hidden charges

Each rally has up to 5 refunds processed for free – if over 5 refunds are made a 20p per transaction fee is charged. This can either be passed to the member or paid for by the Pony club.

Rallies can be added for free by all organisers.

If you would like to choose for Horse-Events to add and manage your rallies, there is a minimum charge fee of £10. This means if the rally does not collect £10 in booking fees the remainder will be charged to the branch.
